Recommended Equipment & Supplies

TROMBONE

Congratulations on being a part of the award-winning Carusi Middle School Band!! Students should be using different equipment than what they started with as a beginner! The equipment must “grow” with the student. Using the right equipment makes playing physically easier, better sounding and can make a beginner instrument sound like a professional one! Below is a listing of recommendations.

If you have any questions or concerns, please ask before you invest in an instrument and/or accessories. Contact Mr. B. at pbarclay@chclc.org or 856-667-1220 x3564.
